

AES Compliance Seminar

Automated Export System

Complying with the Foreign Trade Regulations (FTR)

Provide Accurate Data and Avoid Costly Penalties and Seizures

You Must Comply with the Foreign Trade Regulations

How do the Foreign Trade Regulations (FTR) affect your export business? Do you know how to use the Automated Export System (AES) to comply with the FTR? It is imperative that you understand the FTR so you can avoid possible penalties and seizure of your export shipments. Attending this educational seminar and workshop will provide you with the information to assist you with the exporting process.
